

ELITE WARDROBE

a new dimension in elegance

Functional space
with premium quality

PRACTICAL BASKETS

Drawers with three types of baskets to choose from: metal, rattan and mesh. All drawers are fitted with a soft closing mechanism, and provide full extension.

SHOE STORAGE

For every type of shoe, we have designed drawers in two versions - mesh and metal, which you can arrange freely. Both equipped in slides with full extension and soft closing.

ORGANISER FOR ACCESSORIES

It helps you organise small items – jewellery, watches, belts, bow ties, etc. This drawer is finished in high-quality materials and comes with small dedicated dividers.

WARDROBE TROUSER RACK

No wardrobe can be complete without an extendable trouser rack, which prevents trousers from crumpling. The rack has removable crosspieces with anti-slip finish to prevent trousers from sliding off.
